

Instructions for publishing essays in DiVA Skövde.

You log in to DiVA with your student user account at <https://his.diva-portal.org/dream/login.jsf>

You don't have to fill out all fields in the form, only the ones listed below.

Change language in the top right hand corner, and click *Continue* to proceed.

The screenshot shows the 'Add publication' interface in DiVA Skövde. The interface is divided into a left sidebar and a main content area. The sidebar contains a blue header 'Add publication' and a red link 'My drafts'. The main content area has a breadcrumb trail: 'Select publication type --> Enter information --> Upload files --> Review / Publish -->'. Below the breadcrumb trail are navigation buttons: 'Back', 'Cancel', and 'Continue'. The main content area displays the title 'Select publication type ?' and a dropdown menu with 'Student thesis' selected. Below the dropdown menu, there is a text prompt: 'You can also go to your drafts. Select My drafts.' At the bottom of the main content area, there are navigation buttons: 'Back', 'Cancel', and 'Continue'.

Enter the names of all authors of the work, in the same order as they are listed on the document. For each of the authors, enter the school to which they belong.
